CERTIFICATION

Diploma in Frontend Developer
@ISYSWAY Technologies.
Certificate ID: **64764**

PROFILE SUMMARY

- Master of Computer Applications (MCA) graduate with strong programming and Software development skills.
- Junior frontend web developer specializing in React, dedicated to crafting responsive and interactive user interfaces.
- Eager learner with a solid foundation in HTML, CSS, and JavaScript, seeking opportunities to contribute and grow in a collaborative team setting.

PROJECT

Project - 1

Complete Food Delivery Website

(React)

- Developed a frontend food orders website using React.js, ensuring responsive design and seamless user experience.
- Implemented dynamic features such as real-time order updates and intuitive user interfaces to streamline the ordering process.

Project - 2

Weather Application

(React and API)

- Design a user-friendly interface displaying current weather conditions and forecast data.
- Implement real-time data fetching from a weather API to ensure up-to-date information for users.

SOFT SKILLS

1. **Communication:** Effective communication to facilitate collaboration and understanding.
2. **Teamwork:** Strong team player with a history of successful group contributions.
3. **Adaptability:** Quick to adjust and thrive in changing environments.
4. **Problem-Solving:** Proactive in identifying and resolving complex issues.
